PLANTS and SEEDS

The choicest seeds produced by Cross-
Pollination from new specimens.

Offerman
Delphinium Gardens

4709 W. Stevens
Seattle 6, Wash.

INFORMATION

I am specializing in **DELPHINIUM** only. The self-pollinated plants of the Pacific Strain of Delphinium Hybrid are grown from the finest Cross-Pollinated Seed. All seeds are grown in flats outdoors. To harden off the seedlings, they remain in the fields all winter, unprotected from frost. My seeds should grow in any part of the country from Coast to Coast.

1 packet, your choice.....	\$1.00
6 packets, your choice.....	5.50
12 packets, your choice.....	10.00

Add 3% sales tax in the State of Washington.

Each packet contains more than 200 seeds, with the exception of "Percival", which contains 150 seeds.

PLANTS

Strong young plants are available for **SPRING PLANTING** in March, April and May.

\$3.50 per dozen, POSTPAID anywhere in the United States.

The seedlings we offer are the prize winner strain. Mixed Colors Only.

Plants that have already bloomed, \$1.00 each or \$10.00 per dozen, charges collect.

1. **Offerman's Exhibition Strain.**—This is a mixture of Prize Winner Strain. Flowers are mostly double and up to 3 inches in diameter.
2. **Dream.**—An early bloomer with blossoms 3 inches in diameter. Exquisite shade of azure blue and pink with white Bee. Seed only.
3. **Galahad Series.**—Large white flowers with white Bee, a great achievement in giant whites. Blossoms often reaching 3 inches.
4. **Percival Series.**—A companion to the Galahad. The latest introduction on the Pacific. Giant white flowers with strongly contrasting **Black Bees**, beautifully spaced on long, tapering spikes.
5. **Guinevere Series.**—A clear, pink lavender self with white Bee. Blossoms up to 3 inches on beautiful fully balanced spikes.
6. **Cameliard Series.**—A pure lavender. Flowers up to 3 inches. A true exhibition type.
7. **King Arthur Series.**—A rich royal purple with a variety texture and large white Bee. The giant flowers are carried on thin stems; one of the most brilliant Delphinium.
8. **Black Knight Series.**—Individual flowers up to 3 inches. A beautiful dark violet; a true show flower.
9. **Round Table Series.**—This group with all their newest colors and possessing size will make them invaluable for show purposes.
10. **Summer Skies Series.**—Light heavenly blue with white Bee; a color long sought in the large flowering hybrids. The finest blue Delphinium in existence and comes almost 100% true to color.
11. **Blue Bird Series.**—A true blue flower 2½ inches in diameter. This Series sets a new standard in blues of today.
12. **Lancelot Series.**—Distinct shade of pure lilac. Flowers are mostly double and are of the large flowering type. A very tall grower.

“For added pleasure of your favored flower”
